

DIRECTIONS TO GARNET PEAK ACCESS ROAD

From Peru Town Center

1. Go down East Main Road toward Worthington (passing the Highway Garage and Town Hall) exactly 1 mi. until you see Curtin Road on the right.

2. Turn right on Curtin Road and follow for 1.8 miles. Here you will see a sign that says "Tremper's Corner" and the road will go either left or straight. Be sure to bear left to continue down Curtin Road.

3. At 1.4 miles past Tremper's Corner (3.2 miles past the beginning of Curtin Road), you will have reached the top of a hill. On the right will be a narrow road heading into the woods. You will notice flags on the trees. This is the access road to Garnet Peak. Park here on the side of the road or drive partway down the access road to park.
